1) Mr. Mirza's D.O. was not received here at all. From the routine note put up it will be seen that a copy of it obtained from the Diwan's office is now put up. It is not known how that D.O. was disposed of. This Branch is not aware of the conditions under which the Tui Tuitun class was constituted. The file connected therewith is not available. It is not known under what authority the Palace officers demand for the payment of a moiety. Information as to the source from which the expenditure is to be met is not also available.

up. A reference to it will show that a moiety of the pay of the Professor is to be paid by the Police Dept while the other moiety is to be paid by the Military Dept, the charges for his board and lodging being paid by the Palace. No provision is made for such incidental charges as those now referred to in the order sanctioning the appointment of the Professor. Perhaps they were not contemplated at the time. The contribution of Rs 279-0-6 now claimed by the Palace will probably have to be paid by the Police and the Military Departments in equal proportions as in the case of the pay of the Professor.
